Professional Makeup Brush Kit

This ombre professional set is for a full face of makeup application. The synthetic hairs can be used wet or dry and will pick up more product than natural bristles. The tapered bristles allow for a smoother, more polished application that's easy on the skin and easier on the go.

Introductory Offer... for a limited time the 5-Piece Brush Kit will include two Indelible Eye Pencils (1 Black and 1 Brown).

Cream Contouring Palettes

Sculpt your cheekbones. Slim and define your face. These palettes come in Light and Dark and include a wide enough range of color to handle any skin tone.
